TOGETHER WE WILL MAKE A DIFFERENCE

We know that people aren’t looking for a hand out. They want to work and provide the best for their families. Using our Mentoring Multiplier, Service Currency, and our No Dollar Dies Principles we create lasting change through mentoring, training, and access to financial solutions, enabling individuals to permanently lift themselves and their families out of generational poverty.
become part of the poverty solution throughout the world. every donation makes a difference towards creating sustainable self-reliance. info@mentorsinternational.org 801.676.7776

more than 3 billion people throughout the world live on less than $2.50 a day. with little education and even fewer opportunities, these families find themselves trapped in a cycle of poverty that has lasted for generations. serving in the philippines, cambodia, nepal, india, ghana, peru, venezuela, honduras, nicaragua, guatemala, mexico, and the dominican republic.

mentoring training and empowering the world’s impoverished

more than 3 billion people throughout the world live on less than $2.50 a day. with little education and even fewer opportunities, these families find themselves trapped in a cycle of poverty that has lasted for generations. serving in the philippines, cambodia, nepal, india, ghana, peru, venezuela, honduras, nicaragua, guatemala, mexico, and the dominican republic.

151,409 service hours performed

together we will make a difference

we know that individuals aren't looking for a hand out. they want to work and provide the best for their families. no one deserves to live without the opportunity to better their circumstances.

your donation helps families grow in greater self-reliance and become able to:

- send their children to school
- afford to eat nutritious meals
- build better homes
- save for the future

do not hallucinate.
