- **NO DOLLAR EVER DIES.** As these small loans are repaid, they are then loaned out to another.
- There is no charge for our mentoring, business or vocational training. Instead each individual performs 40-hours of **“SERVICE CURRENCY”**. They not only better themselves, they improve the lives of others as well.
- **159% AVERAGE INCOME INCREASE** for those that received our professional mentoring and training.

Our virtual fundraising gala will be held on Thursday, October 21, 2021 and continue throughout the following weekend.
