- As these micro-loans are repaid, they are then loaned out to another; in essence, **NO DOLLAR EVER DIES**.
- There is no charge for our mentoring, business or vocational training. Instead each individual performs 40-hours of **"SERVICE CURRENCY"**. They not only better themselves, they improve the lives of others throughout their communities as well.
- Those that received our professional mentoring and vocational training on average **INCREASE** their **INCOMES by 78%**.

Held on Thursday, October 12<sup>th</sup>, our Annual Gala will be available **BOTH** in-person & virtually allowing us to reach a greater audience.
